**RE: State Employee Pay Warrants and IOUs**

Today, the State Controller's Office informed us that state employee payroll will be made via regular pay warrants for the upcoming pay period (July 1<sup>st</sup>), rather than through the issuance IOUs.

According to his office, the Controller plans to continue the issuance of regular pay warrants for the August 1<sup>st</sup> and September 1<sup>st</sup> payroll periods, but thereafter it is uncertain based on the outcome of budgetary actions.

*In Unity!*
