If you want to take a stand against reckless state budget cutbacks and fight for improved working conditions, please join us for this important Union meeting.

The Large Occupational Committee Meeting is your opportunity to get involved by working directly with colleagues from your own profession and other occupational groups throughout the State. This is your moment to identify key goals and organize action plans designed to achieve meaningful results.

Whether it's furloughs, union contracts or contracting out, this meeting is your opportunity to speak out and join your AFSCME 2620 colleagues in this year's critical fight.

We need your input.
