## Southern Region Membership Meeting

**Saturday, April 10, 2010**  
10am-4 pm

**Burbank Marriott**  
**2500 Hollywood Way, Burbank, CA**

*Members have asked what they can do to get involved and what our Union is doing for them. Come to a Southern Region Membership meeting to dialogue, share your concerns and suggestions, and learn how you can become an activist.*

*Leaders from the Executive Board will give updates and guest speakers will describe the political landscape we are facing together.*

*We want to give you a chance to interact with each other and make plans to fight back against the onslaught against State Workers.*

*Our Union Leaders need you to help us understand your concerns and to find solutions together. We want you to bond with other Union members and learn how different professions in our Union have common concerns. Without member support, our Union cannot move forward.*

*We will leave this meeting with an action plan: how we can let our Government officials know that AFSCME 2620, as part of a larger organization of AFSCME and working with other Unions, is a force to be recognized and heard.*

*If you have never been involved before, now is the time to attend this meeting. Feel empowered instead of helpless about deteriorating work conditions!*

Expenses associated with attendance and participation in this training will be paid. Because this is a regional meeting, no hotel stays will be approved.
